- **GP provider board update**

The chair updated the committee on how the new GP provider board across Worcestershire and Herefordshire was working.

- **Integration Steering Group (ISG)**

Secretary updated the committee on the meeting which sadly has been discontinued. MH and secretary to meet regularly to feed in concerns from GPs.

- **Sudden unexpected deaths in childhood (SUDIC)**

The secretary had written to Dr Meyrick with the views of GPs.

- **Adult ADHD services**

The CCG were currently looking at a replacement provider and would write to GP practices shortly

MAIN BUSINESS

- **Data Access Policy**

The Chair updated the committee on the liability concerns for general practices. The understanding from the LMC officers was that CCG and WVT had agreed to cover any liability arising from GP staff causing a data breach as long as practices have fulfilled their role in ensuring training in data compliance. This had been reviewed by LMC law and written into the new data sharing agreement. Details to be sent to practice with likely role out in mid-September.

- **Sexual Health Update**

Concerns remained from practices regarding provision of the new sexual health service. SM updated the committee on current issues.

Action: Secretary and SM to contact S4H and commissioner to clarify how to feedback GP/patient concerns into the service

- **Lymphoedema**

Little further information on the transfer of patients from WVT. CCG have asked WVT for clarity.

- **HOF**

LD gave an update on current situation with the Health Outcomes Framework (HOF) for this financial year. Concerns had been raised re the comprehensibility of last years document. There was an issue with the direct payment for first contact practitioners to WVT.

Action: CCG to review the new HOF with LMC and practice managers representatives over the next two months with medicines management as priority

ANY OTHER BUSINESS

- **Insulin starts**

Practices were concerns re the delay in starting insulin via the current community service. Some practices had taken on this work without resource.

Action: Practices advised to take concerns to networks to ensure the correct service was a priority

- **Vaccination of pregnant women**

The committee felt that more needed to be done to encourage pregnant women to have vaccination for flu. The committee was keen that the midwifery service worked closely with general practice to support this goal.

Action: Practices advised to take concerns to networks to ensure the correct service was a priority

- **Neurosurgical Referrals**

Concerns was raised regarding the current urgent pathway for neurosurgical review.

Action CCG was in the process of designing a improved two week wait pathway.
