

Join us at our **FREE** **Mid-Career GP Event!**

Wednesday 4th December 2019 / 6:30pm - 9:15pm
The Fownes Hotel, City Walls Rd, Worcester, WR1 2AP

Are you feeling fulfilled in your career?
Wondering what's next or thinking about a change?

We recognise that GPs will have different needs throughout their career, and we are working on designing a programme that supports GPs throughout their career, and encourages them to stay working in our area.

What is involved...

- The opportunity to take some time out with colleagues to explore what you want from the next phase of your career
- Find out about portfolio roles, and opportunities to become involved in medical education
- Chance to hear from Dr Amanda Webb, founder of the Phoenix GP programme
- Help us design an offer for mid-career GPs that supports you and other GPs to have a fulfilling career locally in Herefordshire and Worcestershire

Revive, Refresh & Re-Connect!
